DETAILED ACTION

Drawings

In order to avoid abandonment, the drawing informalities noted in the paper mailed on 4/20/06 (last non-final action), must now be corrected. Correction can only be effected in the manner set forth in the above noted paper. The informality from the previous action is as follows:

Figures 1-2, 3A, 3B, 4A, 4B, 5A and 5B should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action.

Allowable Subject Matter

Claims 12 and 14 are allowed.

The following is an examiner's statement of reasons for allowance:

With regard to claim 12: This claim is allowable over the prior art of record because the latter, either alone or in combination, does not disclose nor render obvious a system for recording images using a camera comprising a plurality of laser emitting diodes, a plurality of optical fibers coupled to the diodes at one end and having an exit

end with a binary or multi-level diffractive pattern formed on it wherein the exit ends of the fibers are arranged in a circular fashion around the camera so the light emitted from each diode travels through the fibers and is projected on a target after passing through the diffractive pattern to illuminate a an even rectangular pattern across a target, in combination with the rest of the claimed limitations.

With regard to claim 14: This claim is allowable over the prior art of record because it depends on an allowed claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
